This is the perception of

CATERER

vs

This is the reality of Quality Catering

HOT LUNCH

- High Cost especially restaurants/deli charging adult prices
- Limited variety
- Rotate fast food-type items
- Missed shipments
- Consumption unknown
- Buying locally doesn't mean better
- School lunches are not the only option
- Questionable food transportation
- Fuel surcharges
- Price increases
- Nutrition Education lacking
- Allergies

- Affordable prices/Quantity discounts
- 4-5 Food groups daily and 3 meal options
- Professionally prepared quarterly menus
- Credibility and 30 year reputation
- Severe weather lunch plan
- 87% consumption rate through surveys
- Illinois production, Wisconsin representative
- USDA Quality & Safety Inspected
- State-of-the-art preparation & transportation
- No add-on costs
- Price may increase 1x/year
- Lesson plans to encourage healthy habits
- Website identifies ingredients
