

Testimonials

Nutritionized for Kids

"The meals are excellent, always hot and ready, the staff is friendly and they have the right size menus for the kids! I especially like the subs they serve to the older kids. It's healthy and nutritious and the kids love it!"

Jeni Pelphrey — Director,
First Steps Nursery

"The meals are always well-balanced, with fruits and vegetables the kids enjoy."

Cori Madriles — Pre-school lead
teacher, First Steps Nursery

"The portions are good, the food is surprisingly flavorful, not dry or bland, and my daughter really enjoys the meal!"

Rob Schueneman — Parent

"The food is good and nutritious. There's never a problem getting the kids to eat it"

Marcy Kalash — Pre-school teacher,
First Steps Nursery

"I love coming to work and knowing I'm helping thousands of kids get the nutrition they need to grow. We're doing something important here, and I'm proud to be a part of it."

Lisa Swiderek — Kitchen/Production Manager, Quality Catering

"We really function as a team at Quality Catering for Kids. Every day is a challenge but also fun and rewarding. We provide a very personalized type of service and our customers are the nicest people. We strive to deliver them a lunch that is excellent and also totally convenient."

Michelle Branstetter — Customer Service Supervisor, Quality Catering

"As a customer service representative, I work closely with our schools to ensure they receive everything they need to provide a healthy, nutritious lunch for their students. I enjoy coming to work each day knowing that the kids love to eat our lunches."

Lisa England — Customer Service, Quality Catering

"With every stop I make on my route, it's a great feeling to know I'm delivering fresh and tasty meals that kids love."

Eric Wiatr — Driver, Quality Catering

"I like the meatballs. Quality Catering's lunches are better than home lunches!"

Devon, age 4

"My favorite is Macaroni! I like it better than the lunches my parents make!"

Katelyn, age 4
